[www.centurycaps.com](http://www.centurycaps.com)

\*Prime Design™ and Kargo Master racks not available for install on Wedge built Commercial Aluminum Units.  
DECKED is available for full-size short, full-size extra short and mid-size truck beds.

# COMMERCIAL CAPS - RUGGED & READY FOR THE JOB

*Prime Design™ ErgoRack™  
single rotation rack system*

*Operates safely from  
the rear of the vehicle*

*Easy ergonomic operation*

*Prime Design™  
ErgoRack™ single  
rotation rack system  
with step ladder option*

The ErgoRack™ by Prime Design™ is designed to minimize the physical stresses involved in loading and unloading heavy, bulky ladders. The single horizontal rotation positions ladders for easy access. ErgoRack™ reduces lower back and shoulder stress by eliminating the need to step on the bumper or tailgate to access a ladder. The lightweight design is lighter than steel ladder rack solutions for improved gas mileage and savings. Lockable security feature reduces theft at the job site and on the road.
