CENTURY

Introducing the Century Ultra SCC

The Ultra SCC is a premium commercial cap that comes standard with smooth sides and a solid panel rear door with stainless steel drop T-handles. You can add flush side access doors, that provide an integrated profile and the perfect canvas to overlay vinyl or painted graphics for marketing purposes, and keyless entry for convenience.

Standard Features:

- Increased Structural Reinforcement for Tough Jobs
- Precise Color Match
- Solid Smooth Sides (Privacy/Protection)
- Front Picture Window
- Built-in LED Brake Light
- Wraparound Fiberglass Rail
- One-Piece Construction
- No Drill Installation Kit - J-Bolt Clamping System and Bulb Seal
- Framed Solid Panel Rear Door with Stainless Drop T-Handle and Codeable Locks
- 12-V Interior Dome Light

Optional Flush Side Access Doors

Flush side access doors come with stainless steel drop T-handles, and can be upgraded to include keyless entry for easy access and increased security.

Upgrade Your Ultra SCC with a Variety of Options
